

## 2024 Check Your Performance Measures Data

### KS4 June pupil level data

This document describes the format of the key stage 4 (KS4) pupil level data available to schools and colleges on the June 'Check Your Performance Measures Data' (CYPMD) portal.

The CSV file contains pupils at the end of KS4 or age 15. This file may contain pupils **who are not** included in the calculation of performance measures and will therefore not be shown in the portal, for example those who joined your school roll after spring (January) census day, or those 15-year-olds who are not in year 11.

Please note, the CSV file does not include key stage 2 prior attainment data. If you need to view this data, you can access it on Get Information About Pupils (GIAP) via DfE Sign-in. This data has been taken from previously checked and published data, therefore there is no facility to amend this data.
