Key Stage 4 Autumn Checking Exercise - late results and provisional publication update

Provisional publication details

The provisional 2024 key stage 4 (KS4) performance data publication was delayed due to quality issues in the data which were identified in the 2024 KS4 Autumn checking exercise. Please see [here](#) for further information.

Early access to provisional publication data

You can view your corrected provisional data in advance of publication [here](#).

This information is being provided to you in advance, in confidence and on the condition that it is not released to other persons outside of your school or college ahead of publication.

This provisional data reflects:

- All late results received up until the **30 October 2024**.
- Missing BTECs
- The overall grade for NCFE L1, 2 VCert grades results
- Corrections to some minor processing anomalies.

This provisional data will be included in statistics and in performance measures published in December and in the provisional 2024 Analyse School Performance (ASP) data release in 2025.

Schools and colleges were asked to check the correct pupils were listed at the end of KS4 as part of the 2024 KS4 June checking exercise.

This information is being provided to you ahead of publication for information only.

Late results

The second late results file that was previously removed from the CYPMD portal has been reloaded. This late results file only contains new results and grade changes received from AOs **from 30 October to 1 Nov**, other late results are included in the corrected KS4 provisional data.

If after checking your second late results and corrected provisional data files, you still have a query regarding your data, please use:

- the [contact us](#) form if you have previously informed us about this issue using the ticket ID from the original enquiry or
- if this is a new results enquiry, please complete the [Results Enquiry Form](#).

Revised performance data

Revised data will be shared with schools and colleges ahead of publication in 2025 on the CYPMD portal and will reflect any pupil amendment requests accepted during the KS4 Autumn checking exercise.

There is no facility to amend your school or college data on the CYPMD portal.

Final performance data

Any late results received after 1 November for pupils already allocated to your school or college will be included in the final publication in spring 2025.
